Design and Learning Interactive, Inc.
is a woman-owned business that provides training,
employee development and knowledge
management consulting on projects worldwide.

We have extensive and comprehensive experience in:

- **Training/documentation project management**
- **Instructional design**
- **Change management/process development**
- **Curriculum and materials development**
- **Graphic and web design**
- **Editing and writing**

We are expert at diagnosing issues then applying appropriate blended instructor-led and technology-based training and development solutions, aimed at solving your organizational issues.

We welcome the opportunity to meet with you to discuss how we can assist your organization.

Client Testimonials

"I used the MARPs Sampling Design tool for my conference presentation in Bucharest... They really liked it. I plan to use it again in Moscow."
- Medical Epidemiologist, Senior Service Fellow/CDC

"I had to come in person to tell you. This is the best manual I've ever read."
- Associate Director of Science reviewer for CDC/Global AIDS Program to Surveillance Team Lead

"You are the best! Thanks so much for your quick response ... and offer to share your TB/HIV course content."
- Health Educator, Office of Global Health, CDC

"I am showing the training to our VP today. It looks great! Wish me luck!"
- Cingular project manager

"Your co-development of the manual is a major success... now in its second revision and being used by... operators in all four services, all over the world."
- Tracor (BAE Systems) branch manager
